**RE: PAC-E-15-04 – PACIFICORP'S APPLICATION FOR APPROVAL OF THE 2015
INTEGRATED RESOURCE PLAN**

Dear Ms. Jewell:

Please find enclosed an original and nine (9) copies, of PacifiCorp's 2015 Integrated Resource Plan (2015 IRP). In an effort to improve transparency PacifiCorp is also providing data disks for the 2015 IRP. These disks support and provide additional details for the analysis described within the bound volumes of the document. Disk 1 is public; however the remaining disks contain confidential information. Copies of the 2015 IRP are also available electronically on PacifiCorp's website, at www.pacificorp.com. Confidential information in the 2015 IRP will be provided to any party who has signed a non-disclosure agreement in this Case. PacifiCorp requests that interested parties contact the state manager listed below for a copy of the non-disclosure agreement that must be executed and submitted prior to obtaining a copy of the confidential information.

PacifiCorp submits the 2015 IRP filing in compliance with Order No. 22299, Case No. U-1500-165, dated January 1989; whereby the Idaho Public Utilities Commission ("Commission") ordered biennial filings of the electric integrated resource plan. This plan is also submitted to the Commission as the Resource Management Report on the Company's resource planning status. The 2015 IRP contains information outlining how PacifiCorp has addressed the Commission's integrated resource planning requirements (see Table B.2 "Appendix B – IRP Regulatory Compliance").

The 2015 IRP fully complies with the resource planning requirements in the Commission's rules, and the Company respectfully requests that the Commission acknowledge the 2015 IRP in accordance with those rules and fully support the 2015 IRP conclusions, including the proposed action plan.
